## OUR HISTORY

The Williams Challenge is a not-for-profit organization dedicated to providing educational assistance to aspiring students. The scholarship fund is given in the name of the late Kay D. Williams, loving wife, mother, and friend. Kay exemplified academic excellence, good will, and kindness to all who encountered her. This fund honors her and her legacy by providing for those in need.

## PRESIDENT'S MESSAGE

Williams Challenge sincerely thanks all supporters who have helped us realize our mission to uplift local youth. Your support will help provide scholarships through the Akron Urban League. Our mission is to provide assistance to offset college expenses and make a positive difference in the lives of youth through scholarships to promote excellence in education, sports, community services and spirituality. Williams Challenge scholarships are funded primarily through its golf fundraiser each year in June. We invite you to participate in this annual event which is fun for every skill level of golf. Other funding sources include private and corporate donations, and hole sponsorship. All donations are tax deductible.
