NORTHERN OHIO GOLF CHARITIES & FOUNDATION

Uplifting the community by cultivating a strong, reliable volunteer force that serves as an engine to empower northeast Ohio non-profit organizations serving the needs of our community.

We do this by:
Continuing the legacy of professional golf at Firestone Country Club by providing volunteer leadership and expertise to support tournament operations.

Honoring leaders and philanthropists who contribute to the game of golf with the Ambassador of Golf award.

Supporting the non-profit community through funding impactful opportunities.
