## Fund Development Committee Report

We are sending out ad invoices for the scholarship banquet and sending out thank you notes. We estimate we raised \$11,000 and made about \$7,000. We are looking at other options for a printing company, the cost was \$1,500 for 75 books this year. We paid about \$1,600 for 100 books last year. Printing prices went up, but we still think we can get a better price from another printing company. We are already looking at three new places. We also want to re-evaluate our ad prices.

We are working on Christmas - centerpieces and token gifts. The party is on Saturday, December 13, at the Alpha Center, 6-10 pm. We have to decide on whether we want a full dinner and desserts or finger foods and desserts. We are passing around the RSVP list today.
